

To Whom It May Concern;

Recently we have heard that it is claimed there is a Turkish Shepherd Dog breed called “Boz”. As KIF (Turkish Kennel Club), we declare that there is not a breed called like that. KIF, as the only authority in Turkey as to dogs, recognizes Turkish Shepherd Dog Kangal, Akbash, Aksaray Malaklısı (Turkish Mastiff). Please visit www.kif.org.tr or write at info@kif.org.tr to get more information on the subject.

Yours sincerely,

Dr. Ümit Özkanal

President
